### ROOM SET-UP AND AV REQUIREMENTS

Our goal is to assist meeting planners in presenting a program with the most impact, and to allow the audience to get maximum benefit from Pauline's message. The following requirements are vital to the success of your program:

- A lavalier clip-on microphone.
- A ramp for wheelchair access to the stage or platform.
- Proper lighting with either a follow spot or stage lighting. Lighting is important and most hotel conference staff can improve the lighting at no additional expense.

Pauline looks forward to working with your group.
